

John & Rosie Miles

Holne Bridge Lodge, Ashburton, Devon, TQ13 7NW
01364 654824

Directions from London and the East

You have two choices, both take about the same time. Route B is more scenic of course. Both suffer from jams at peak times on summer/holiday weekends. We tend to use route A. You can plan your own route at www.ViaMichelin.com. For a printable Acrobat version of these directions, please click [here \(342k\)](#).

Route A - M4,M5,A38

Motorway and dual carriageway all the way. 214 Miles, 3.5 hours

Route B - M3, A303, A30, A38

Motorway and Dual carriageway except 20 mile stretch up to Honiton
195 Miles, 3.5 hours

As you leave the M5, look out for the **A38** signs to **Plymouth**.
Take the A38 Dual Carriageway for 16 miles towards Plymouth for **Ashburton**.

There are two exits for Ashburton. You want the second one, the **Peartree Cross** exit with brown tourist signs for the **River Dart Country Park**. At the top of the slip road turn right and follow the road past the Shell garage on your left and up the rise entering Dartmoor National Park.

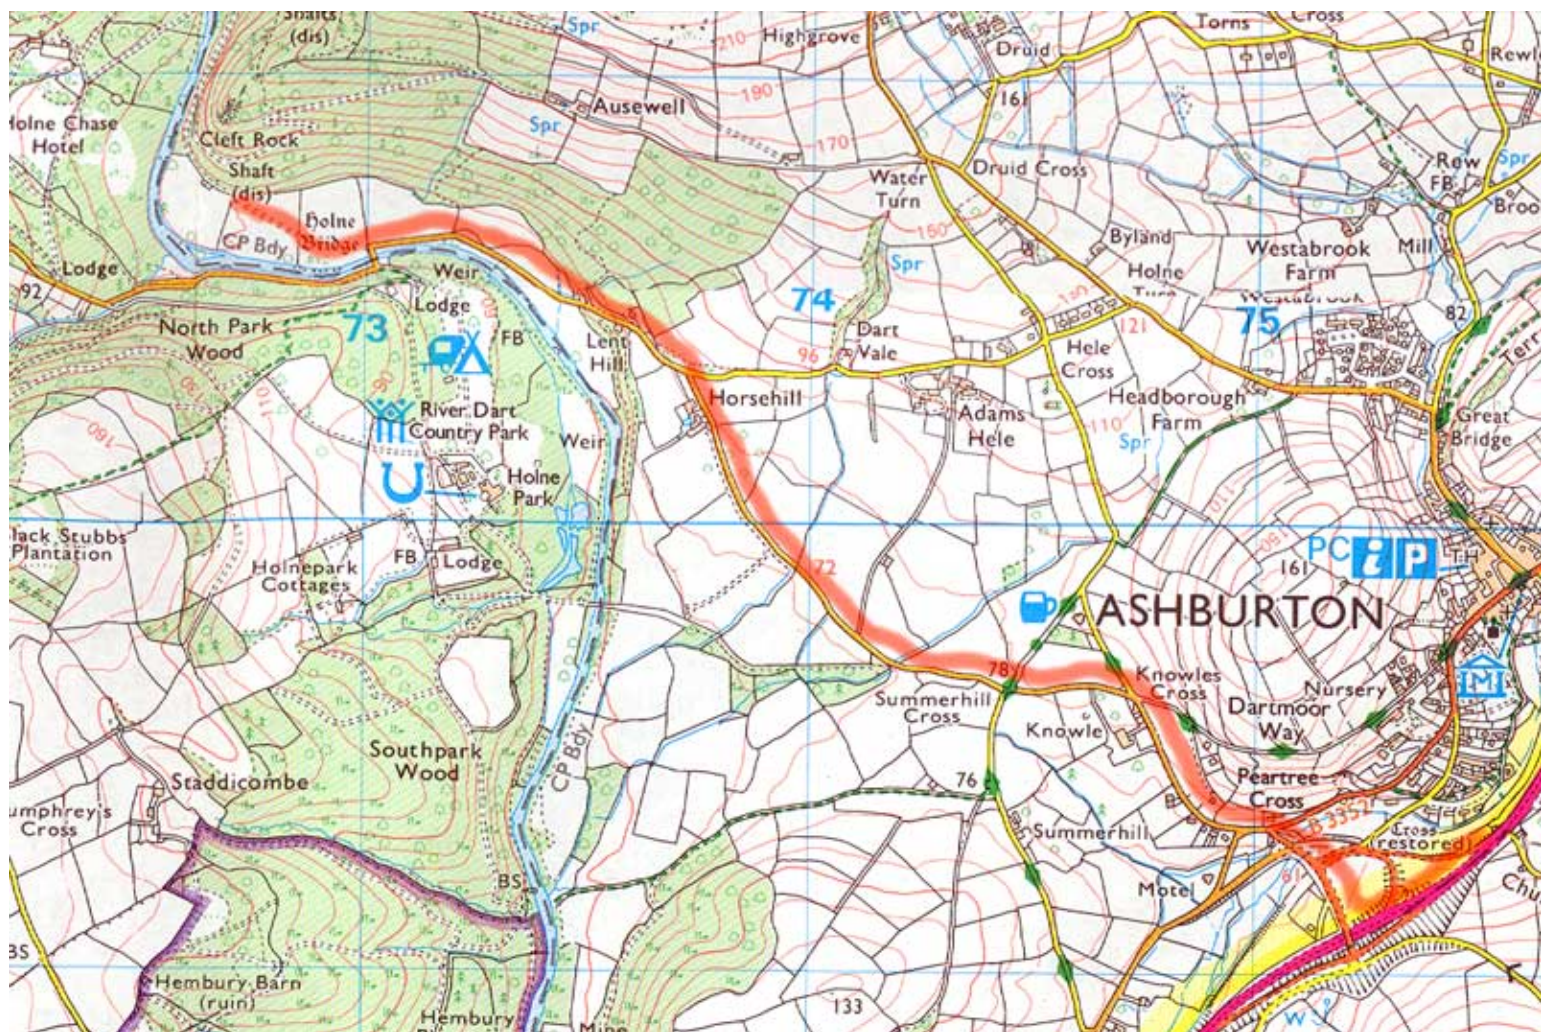

You are going to follow this windy road for a couple of miles past the Dart Valley Adventure Park on your left until you reach the 14th Century **Holne Bridge over the Dart**.

The road turns sharp left to go over the bridge. Our **russet/ brown gate** is right in front of you immediately before this turn. There is no house nameplate. Go through the gate and along the drive for 400yds to the house.

Welcome.
